

2022

Annual Goals

Junior Curriculum

We will continue to implement the IB MYP in years 7-10. Faculties will implement and evaluate one year 9 unit in 2022, and plan a full MYP programme for 2023. We will also investigate interdisciplinary units.

Positive Behaviour

We will implement Tier 1 of the PB4L framework. We will agree our core values and translate these into behaviour expectations, set systems for recording data to support decision making, and establish practices to support students.

Community and Wellbeing

We will foster a positive working and learning environment. We will be kind and have fun.

equity

fair go

belonging

you belong

character

do the right thing

excellence

better never stops

self-discipline

take responsibility

Our Vision

We will be a leader in our community and provide a world-class education in Nelson.
