Week 0: Course Confirmation

Senior students (years 10-13) may need to attend one of the course confirmation days to finalise their course selection (timetable) for 2026 if they have a clash of subjects. Unfortunately, it is not always possible to provide all students with their preferred subject choices.

To assist with this process, we will set up in-person or online interviews using the online parent-teacher interview system we used last year. You would have been sent booking instructions last week if an interview is required. We ask that you and your son use this to book an appointment on Thursday 22nd January, Friday 23rd January, or Monday 26th January 2026.

Nelson College is a BYOD school with all students expected to bring a device to school to support their learning. If you're planning to buy your child a new device over Christmas, you can go to our website to get our recommendations for what to purchase. Please note that we don't specify a particular brand or model.

Be aware that our students get Microsoft Office 365 for free while they study at Nelson College. You don't need to buy this for your son(s).

Buses

website: [School Bus Timetable](#)

There are a number of buses for students to travel to and from school each day.

Ministry funded bus routes (Atawhai & Hira) are free and do not require a ticket.

Public bus tickets (Ebus) using a Bee Card can be purchased at the NCC, Public Libraries and Motueka I-Site. Information is available [Bee Card FAQ: Nelson's new electronic bus card explained - Our Nelson](#)

Nelson Coachlines routes (Motueka, Mapua, Wakefield, Brightwater) Smartcards can be purchased from the Nelson College Finance Office and topped up via the Smartcard app.

Learning Support

website: Learning Support | Nelson College

The school Learning Support Coordinators support students with learning differences. The majority of students requiring extra learning support are identified at school – either by the college or by the student’s contributing school. If you have any questions please contact Robert McHardy by email (ry@nelson.school.nz) when school resumes in January 2026.

Co-curricular

Music

Music lessons are available through the school. Please complete this Enrolment Form if you would like to sign up for music lessons or join one or more of our co-curricular ensembles for 2026. Year 9 - 13 Nelson College students only.

At Nelson College we want to see all students involved in a range of co-curricular activities. We believe that this is an important part of their development and education. There are a wide range of opportunities in sports, arts and service/leadership to get involved in. Contact our staff on the co-curricular page to find out more.

Class Placements & Timetable

Students will receive their 2026 timetable from their Ārahi teacher at the start of the year.

School Lockers

There are a limited number of lockers available for purchase at a cost of \$15.00 for the year from the Finance office. We would encourage your son to bring his own lock for extra security.
